Subject: Revised Draft list of 358 items reserved for exclusive purchase from MSEs under Public Procurement Policy Order, 2012-reg.

Sir/Ma'am

As you may be aware, all Central Government Ministries/ Departments and Central Public Sector Undertakings are mandated to procure 25% (as amended in 2018) of their annual value of goods or services from micro and small enterprises vide Public Procurement Order Notified vide S.O. 581 (E) dated 23rd March, 2012. Under the policy, 358 items are exclusively reserved for procurement from MSEs which help in promotion and growth of Micro and Small Enterprises, and play a critical role in fostering inclusive growth in the country.

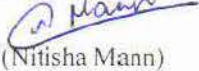

2. The existing list required a relook to find out the relevance in the present day context of technological change, growth of small and micro enterprises. Various stakeholders had recommended that services be also included in the list. Thus, the Internal Technical Committee of this Ministry has prepared a revised list of 469 items (including Goods & Services) to be reserved for exclusive procurement from MSEs.

3. This being a vital protective policy for micro and small enterprises, you are requested to kindly send your inputs/ comments/ suggestions, if any, on the draft list before **30th November, 2022** to nitisha.mann@gov.in and vipin.k39@gov.in

This issues with the approval of competent authority.

Encl: List of 469 items (Goods & Services)

Yours faithfully

(Nitisha Mann)
