Minutes of the Advisory Committee meeting under the MSMED Act, 2006 held on 05.05.2017 at 12.00 noon in Room No.49, Udyog Bhawan, New Delhi under the chairmanship of Secretary (MSME) on the draft Udyog Aadhaar Memorandum (UAM) Notification

A meeting of the Advisory Committee constituted under sub-Section (2) of Section 7 of MSMED Act, 2006 (27 of 2006) was held under the chairmanship of Secretary, MSME on 05.05.2017 at 12 noon in the Room No.49, Udyog Bhawan, New Delhi regarding the draft Udyog Aadhaar Memorandum (UAM) Notification. List of participants is at Annex.

At the outset, the Secretary (MSME) welcomed all the participants. The following issues were discussed in the meeting:

- Draft Udyog Aadhaar Memorandum Notification and to make it compliant with Aadhaar Act, 2016.
- Issues raised by Departmental of Legal Affairs on the draft notification.
- Proposal of All India Council for Technical Education (AICTE)
- Definition of MSME

After brief deliberation on each issue, the following decisions were taken with the consent of the chair.

(i) The draft notification on UAM stands approved by the Committee.
(ii) It was decided that in case of a company or a limited liability partnership or a cooperative society or society or a trust, the companies with turnover above Rs.20 lakh per annum should specify the PAN of the organisation along with Aadhaar Number in the Udyog Aadhaar Memorandum (UAM). This will be implemented after 2 months of GST coming into operation.
(iii) CA Certificate on capital investment shall be mandated for public tender participation
(iv) As suggested by AICTE, there could be a Ministry sponsored MSME specific M. Tech. Course which will focus mainly on practical shop-floor training, the business model of which can be worked out among the MSME Associations present in the meeting. In the course curriculum, 20-30 specific activities can be listed after due deliberations.
(v) FISME & India SME Forum conveyed that employment and turnover should be parameters for defining MSME units along with investment in plant & machinery.

The meeting ended with a vote of thanks to the chair.
