MSME: Who we are?

The MSME sector is an important pillar of Indian economy as it contributes greatly to growth of Indian economy with a vast network of around 30 million units, creating employment of about 70 million, manufacturing more than 6000 products, contributing about 45% to manufacturing output and about 40% of exports, directly and indirectly. There was a long pending demand from the sector to redefine MSME definition. The GoI has redefined MSME classification from July 1st, 2020 as follows:

New MSME Classification w.e.f July 1st, 2020

i. A composite criterion of investment in Plant & Machinery or Equipment and Turnover, as detailed in the matrix above, shall apply for classification of an enterprise as micro, small or medium.

ii. The criteria is applicable to enterprise for both manufacturing and services sector.

iii. If an enterprise crosses the ceiling limits specified for its present category in either of the two criteria of investment or turnover, it will cease to exist in that category and be placed in the next higher category but no enterprise shall be placed in the lower category unless it goes below the ceiling limits specified for its present category in both the criteria of investment as well as turnover.

iv. All units with Goods and Services Tax Identification Number (GSTIN) listed against the same Permanent Account Number (PAN) shall be collectively treated as one enterprise and the turnover and investment figures for all of such entities shall be seen together and only the aggregate values will be considered for deciding the category as micro, small or medium enterprise.
### About

Government has organized a system to facilitate the registration of MSMEs. An enterprise for the purpose of this process will be known as Udyam and its Registration Process will be known as 'Udyam Registration'. A permanent registration number will be given after registration.

After completion of the process of registration, a certificate will be issued online. This certificate will have a dynamic QR Code from which the web page on the Portal and details about the enterprise can be accessed. There will be no need for renewal of registration. Registration Process is totally free of cost.

Single window systems at Champions Control Rooms and at DICs will help in the process.

Any person who intends to establish a micro, small or medium enterprise may file Udyam Registration online in the Udyam Registration portal, based on self-declaration with no requirement to upload documents, papers, certificates or proof.

### Basic Features

- MSME registration process is fully online, paperless and based on self-declaration.
- No documents or proof are required to be uploaded for registering an MSME, only Aadhaar Number will be enough.
- PAN & GST linked details on investment and turnover of enterprises will be taken automatically from Government data bases.
- Online system will be fully integrated with Income Tax and GSTN systems.
- PAN & GSTIN would be mandatory from 01.04.2021.
- Erstwhile EM-II or UAM registration or any other registration issued by any authority under the Ministry of MSME, will have to re-register under Udyam Registration.
- No enterprise shall file more than one Udyam Registration. However, any number of activities including manufacturing or service or both may be specified or added in one Registration.

Rs 20,000 crores Subordinate Debt for Stressed MSMEs

Objectives

- Subordinate debt will provide a substantial help in sustaining and reviving the MSMEs which have either become NPA or are on the brink of becoming NPA.
- Promoter(s) may infuse this amount in MSME unit as equity and thereby enhance the liquidity and maintain debt-equity ratio.
- In a situation, where an outright loan is difficult, sub-debt with guarantee will provide the requisite financing to the MSME Units,

Eligibility/Applicability

This Scheme seeks to extend support to the promoter(s) of the operational MSMEs which are stressed and have become NPA as on 30th April, 2020;

Nature of Assistance

- Promoter(s) of the MSMEs will be given credit equal to 15% of their stake (equity plus debt) or Rs. 75 lakh whichever is lower.
- The maximum tenor for repayment will be 10 years. There will be a moratorium of 7 years on payment of principal.
- Guarantee for the sub-debt: 90% guarantee coverage would come from the scheme / trust and remaining 10% from the concerned promoter(s);

How to Apply

MSMEs meeting the eligibility criteria may approach eligible Banks.

- Creation and Harmonious Application of Modern Processes for Increasing the Output and National Strength (CHAMPIONS) Portal
- MSME Samadhaan Portal
- MSME Sampark Portal
**About**

Government has organized a system to facilitate the registration of MSMEs. An enterprise for the purpose of this process will be known as Udyam and its Registration Process will be known as 'Udyam Registration'. A permanent registration number will be given after registration.

After completion of the process of registration, a certificate will be issued online. This certificate will have a dynamic QR Code from which the web page on the Portal and details about the enterprise can be accessed. There will be no need for renewal of registration. Registration Process is totally free of cost.

Single window systems at Champions Control Rooms and at DICs will help in the process.

Any person who intends to establish a micro, small or medium enterprise may file Udyam Registration online in the Udyam Registration portal, based on self-declaration with no requirement to upload documents, papers, certificates or proof.

MSME Technology Centres have been one of the key contributors to the Make in India initiative by contributing in various verticals such as Aerospace, Automobile, Electronics, Glass, Footwear, Sports goods, Fragrance & Flavour, etc. These Centres are providing training to around 2.5 lakh students annually and most of them are being absorbed by industry within the country as well as abroad.

Identifying the right employment opportunity for these skilled youth is a major challenge. While major corporates have well-defined recruitment processes with a national reach, the challenge remains for small businesses and entrepreneurs to find the right person for the job with relevant experience and skill-set. On the other hand, the job seekers struggle to match their skill sets with the role, position, required experience, monetary expectation, location & industry verticals etc. To bridge this gap between the recruiters and job seekers, the Ministry of MSME has launched MSME SAMPARK.

The MSME Sampark portal is a digital platform, wherein, jobseekers (passed out trainees / students of 18 MSME Technology Centres) and recruiters (various reputed national & multinational companies) register themselves for getting employment and getting right kind of manpower respectively

Announcements

Rs 20,000 crores Subordinate Debt for Stressed MSMEs

Objectives

- Subordinate debt will provide a substantial help in sustaining and reviving the MSMEs which have either become NPA or are on the brink of becoming NPA.
- Promoter(s) may infuse this amount in MSME unit as equity and thereby enhance the liquidity and maintain debt-equity ratio.
- In a situation, where an outright loan is difficult, sub-debt with guarantee will provide the requisite financing to the MSME Units.

Eligibility/Applicability

This Scheme seeks to extend support to the promoter(s) of the operational MSMEs which are stressed and have become NPA as on 30th April, 2020;

Nature of Assistance

- Promoter(s) of the MSMEs will be given credit equal to 15% of their stake (equity plus debt) or Rs. 75 lakh whichever is lower.
- The maximum tenor for repayment will be 10 years. There will be a moratorium of 7 years on payment of principal.
- Guarantee for the sub-debt: 90% guarantee coverage would come from the scheme / trust and remaining 10% from the concerned promoter(s);

How to Apply

MSMEs meeting the eligibility criteria may approach eligible Banks.
