Subject: Transfer of pending ISO reimbursement applications to MSME-DIs

Sir,

You are aware that the work relating to the reimbursement of ISO 9000 certification charges has been decentralized w.e.f. 01.04.2007 and all the MSME- Development Institutes have been authorized to reimburse the ISO 9000 certification charges after scrutinizing the application as per guidelines of the scheme.

2. The question of disposal of applications received in this office prior to 1.4.2007 has been considered, and it has been decided with the approval of AS&DC (MSME), that all the pending applications should also be transferred to the concerned MSME-Development Institutes for disposal under the Scheme.

3. I send here with...201...Nos. of files/cases (as per enclosed list) in your jurisdiction for necessary action.

The following criteria may be noted while scrutinizing the above applications:

1. Before 01.01.2006 certification bodies (CBs) should be in the list of CBs approved by AS & DC, SSI.( available on our website)
2. From 01.01.2006 the certification bodies must be accredited by NABCB.
3. Before 01.01.2007 consultant & trainer do not require any approval.
4. PMT SSI Regn. Certificate was allowed before 01.04.2007.

Most of the above cases have been scrutinized and discrepancy letters have been issued. The units are being informed separately regarding transfer of their applications to your institute.

You are requested to dispose of the enclosed applications on priority as per guidelines and above criteria. The progress may be informed to this office.

Yours faithfully,
