**Sub: Authorise PAO Office to release salaries to field offices of MSME-  
DIs/TCs – for December,2016 to March, 2017.**

Sir,

We have received requests for additional allocation of funds under Salary for payment of salaries of staff of O/o the DC(MSME) and field offices for the remaining months of current financial year 2016-17, since most of the institutes have almost exhausted their budget allocations, due to implementation of 7<sup>th</sup> pay commission, enhancement in salaries and taking into account the increase of 2 % DA, Annual increments, LTC, Bonus and encashment of Earned Leave and payment of arrears of Salaries etc.. In this connection, it is stated that we have taken up the matter with Ministry of Finance through IF Wing for provision of additional funds under Salaries (Non-Plan) at RE stage which is likely to be finalized soon.

As payment of salaries of staff can not be delayed, you are requested to clear the salaries bill (under Salaries, Department Canteen & Wages) for the remaining period of the financial year 2016-17 i.e. from the month of December, 2016 to March, 2017 under your jurisdiction. The allocations of additional funds to the Hqrs. Office and field offices will be communicated to PAOs as soon as the same is received after approval by the Department of Expenditure.

Your kind cooperation in the matter will be appreciated.

This issues with the approval of AS & DC (MSME).

Yours faithfully,

*(S.K. Tiwari)*
