Please choose all of the following ways to contribute that apply:

Yes No - **Generalist Mentor** Advises teams on all accelerator deliverables. Matched by regional Mentor Chair. May not mentor more than one team in any given category.

Estimated Commitment: 1-3 hours on average per week from May to November.

Yes No - **Specialist Mentor** Subject matter expert. May advise multiple teams, even within the same technology category.

Estimated Commitment: 3-5 hours per company total from May – November. Participation does vary based on topic and agreement between company and mentor. You can be a specialist mentor for multiple companies

Yes No - **Sustainability Mentor** Sustainability expert on triple bottom line practices

Some regions have mentor teams led by one "lead" generalist mentor. This mentor's responsibility, in addition to being a generalist mentor for the entrepreneur, includes helping to coordinate the mentor team, and acting as the main point of contact for the mentor team with regional Cleantech Open staff for team feedback and progress updates

Are you interested in being the lead generalist mentor for a participating company?

Yes No

How many teams can you mentor during this year?

How many hours are you available to mentor per week?

What stage of company do you prefer to mentor?

| <input type="checkbox"/> Development | <input type="checkbox"/> Early Production | <input type="checkbox"/> Revenue |
| <input type="checkbox"/> Prototype | <input type="checkbox"/> Production ramp | |
| <input type="checkbox"/> Pilot | <input type="checkbox"/> End of Life | |

Are you willing to mentor teams by telephone or Skype? Yes No

Are you willing to mentor Cleantech Open alumni teams from previous accelerators?

Yes No

How and when should mentees contact you?

Ticket Email Phone Skype

Have you helped an early-stage company to:

Yes No - Obtain a commercial result, e.g. initial sales, a joint development agreement, licensing agreement or financing?

Yes No - Increase viability by refining their business model and go-to-market strategies?

Yes No - Identify the right market and refine their value proposition to that market?

Yes No - Gain third-party validation of their product or technology?

Please explain your yes answers above related to early stage company experience:

Have you ever mentored or coached entrepreneurs in the past? If so, please describe your past mentoring experiences.

What are your goals for mentoring with the Cleantech Open? What do you hope to accomplish or get out of the experience?

Please provide a short (100- to 200-word) biography:

Please attach a copy of your CV along with this form.

Choose any of these technology categories that you would like to mentor

Energy Efficiency Waste to Energy

Water Efficiency Renewable Energy
