Invitation of Expression of Interest (EOI)
from Premier IT firms
for empanelment as Technology Providers for the scheme
“Promotion of Information and Communication Technology
(ICT) in MSME Sector”

Objective: The main objective of the scheme is to encourage and assist the potential MSME clusters to adopt ICT tools and applications in their production & business processes, with a view to improve their productivity and competitiveness in national and international markets.

Approach: The approach involves selection of 100 potential MSME clusters across the country who will be benefited in terms of standardization of their business process, improvement in delivery time, reduction in inventory carrying cost, improvement in productivity and quality of production, controlling of cost & time, improved customer satisfaction etc. through need based ICT interventions.

Activities: The empanelled Technology Providers will assist in providing technical inputs for the scheme and be specifically entrusted to conduct the awareness programme(s), prepare feasibility report(s) and thereafter cluster specific Detailed Project Report(s) (DPR) in the allocated MSME cluster(s) regarding ICT interventions.

Assistance: For above activities financial support from Government of India will be available as per the scheme guidelines and terms and conditions for payment.

Who can apply: IT firms having requisite experience and capability as stated in EOI Document may apply in prescribed format within stipulated time & date.

Last date of submission: 27.12.2010 upto 4.00 P.M.
