Government of India

Development Commissioner(MSME)

Ministry of Micro, Small & Medium Enterprises

Invitation of Request for Proposal (RFP) from experienced agencies for “Implementation of Quality Management Standards and Quality Technology Tools (QMS/QTT)” in MSME sector.

Objective: This office is implementing National Manufacturing Competitiveness Programme (NMCP) for enhancing competitiveness in MSME sector. The scheme titled “Enabling Manufacturing Sector to be competitive through Quality Management Standard and Quality Technology Tools (QMS/QTT)” is aimed at facilitating implementation of QMS/QTT for MSME units in this regard.

Activities: The two activities currently proposed for implementation are,

- (a) Preparation of Course Modules on QMS/QTT to be introduced in Government Polytechnics, including training of 2000 teachers, and
- (b) Implementation of Quality Tools in identified 10 MSME Clusters.

Selected agency will take up implementation of above activities as per the provisions of scheme guidelines.

Financial Assistance: For above activities financial support from Government of India will be available as per the scheme guidelines and terms and conditions for payment.

Who can apply: Agencies having requisite experience and capability as stated in RFP Document may apply in prescribed format within stipulated time & date.

Last date of submission: 10.2.2012 upto 3.00 P.M.
