Redesigning of MIS Portal was suggested on the following lines:-

- Cases of IPR reimbursement from IPFCs shall be directly forwarded to the DC Office, along with scanned copies of supporting documents. Once the cases are approved in principle, original documents shall be called for before the payment is released.
- The mandatory requirement of registration with MSME Databank was reviewed and decided that MSMEs shall be able to submit the IPR reimbursement application even without registration at MSME Databank. However, UAM registration would be mandatory.
- Provision in MIS for sending of messages automatically on receipt of application form to the Entrepreneurs.
