Committee accorded In-principle approval for the proposal. IIE, Guwahati to submit a comprehensive proposal with year-wise details of scope of work, manpower deployment, expected tangible output & outcome and financial implications.

The Chairman concluded the deliberations of the Steering Committee with the following directions and observations:

(i) State Governments should ensure submission of requisite documents along with SIDBI Appraisal Report in respect of all In-principle approval accorded proposals by 31.10.19. In case of any delay in appraisal, they may contact SIDBI under intimation to Office of DC (MSME).
(ii) Priority would be accorded for the proposals with highest State Government’s contribution.
(iii) All proposals under MSE-CDP should invariably include the component of water harvesting.
(iv) Efforts should be made to submit proposals from Aspirational districts.

Meeting ended with thanks to the Chair and participants.
