**Minutes of Meeting of 9<sup>th</sup> Project Monitoring & Advisory Committee (PMAC) Meeting of MSME Innovative Scheme (a component under MSME Champions Scheme) under the Chairmanship of AS & DC (MSME)**

The 9<sup>th</sup> Project Monitoring & Advisory Committee (PMAC) meeting was held under the Chairmanship of AS & DC (MSME) on 24.06.2025 at 4:00 PM through Hybrid Mode (Physical/VC) of "MSME Innovative Scheme", a component under MSME Champions Scheme. The list of participants is at **Annexure-A**.

2. Shri Vinamra Mishra, Director (Tech. & Project), Ministry of MSME welcomed the members and apprised the members about the agenda of the meeting through a PPT, including guidelines of MSME Innovative Scheme emphasizing the financial assistance under this scheme and approvals required under Incubation component and IPR component.

3. Shri Vinamra Mishra, Director (Tech. & Project), Ministry of MSME further apprised the committee about the various steps undertaken for inviting and shortlisting top-ranking ideas under MSME Idea Hackathon 4.0 (Youth (18-35 years)) - theme wise which was launched by the Hon'ble Union minister for MSME. Ideas were invited under this Hackathon from all over India.

4. The ideas were received from young innovators (18-35 years) only through MIS portal <https://innovative.msme.gov.in> for MSME Idea Hackathon 4.0 (Youth (18-35 years)) under 4 themes i.e., PM Vishwakarma 18 Trades, Export enhancement and/or Indigenisation, Frontier Technology in MSME and Sustainable Development. A total of 29,237 ideas were received, out of which 8936 ideas were shortlisted and uploaded by Host Institutes (HIs) and subsequently 7633 ideas were forwarded to the Domain Expert Selection Committee (DESCs) for evaluation. After detailed evaluation by respective Theme-wise DESCs, 718 top ideas were filtered. Out of 718 ideas, 488 top ideas were shortlisted and placed before the PMAC for approval after following the selection of ideas criteria & process. All the ideas were encrypted to maintain anonymity and transparency.

5. Shri Ateesh Kumar Singh, Joint Secretary, (AFI), Ministry of MSME initiated detailed discussion on the ideas and sought opinion from the PMAC members regarding the selection criteria for shortlisting the ideas. Thereafter, a detailed deliberation was held among the members and there was a consensus that the filtration and selection process were both transparent and appropriately done. The members also expressed satisfaction regarding the transparency adopted throughout the selection process.

6. The agenda items requiring approval of the committee members were discussed in the meeting and decisions taken thereof are tabulated below:

S. No.	Agenda Item	PMAC Decision / Remarks
<b>Agenda: Approvals under Incubation component</b>		
1.	Approval of launching MSME Idea Hackathon 5.0 on MSME Day to be held on 27 June 2025.	Committee accorded approval of launching MSME Idea Hackathon 5.0 suggesting the main tagline of Hackathon be named as "MSME Idea Hackathon 5.0: Smart and Sustainable MSMEs". With the following themes: 1. Low-carbon footprint solutions/technologies 2. Stealth, Surveillance, and Cyber

		<p>Defense Technologies</p> <p>3. Innovation in Adoption of Industry 4.0 &amp; 5.0 in MSME ecosystem</p> <p>4. Innovation for business upliftment and sustainability in coastal and hilly areas</p> <p>5. Smart and Resilient Supply Chains</p> <p>As per <b>Annexure - B</b></p>
2.	Approval of Ideas received under MSME Idea Hackathon 4.0 (Youth aged 18 – 35 years) after sector-wise evaluation by Domain Expert Selection Committee (DESC) along with financial approval for GOI assistance for development of Ideas	Committee accorded approval of 488 Ideas (Youth) under MSME Idea Hackathon 4.0 for GoI financial assistance of approx. Rs. 6159.171 Lakhs as per <b>Annexure-C</b> .
3.	Approval of eligible 47 Host Institutions (HIs) as per application received through MIS Portal which are recommended by the concerned MSME-DFO's received upto 24.6.2025	Committee accorded in-principle approval of 47 eligible institutions to act as Host Institutions (HIs) as per <b>Annexure-D</b> .
4.	<p>Approval for</p> <p>a. De-listing 53 Host Institutions (HIs) that have not evaluated and forwarded the ideas of incubatees in Hackathon 4.0 and 01 Host Institution (JSS ATE Science and Technology Entrepreneurs Park, NOIDA), that has requested for de-listing</p> <p>b. Rejecting 01 Host Institution (BML Munjal University), not recommended by DFO</p> <p>c. Issuing warning letters to 11 Host Institutions (HIs)</p>	Committee accorded approval to delist, reject and warn the HIs as per the <b>Annexure - E</b>

#### **Agenda: Approvals under IPR component**

1.	<p>National IP Outreach Mission (Awareness Programmes): 300 nos. by IPFCs</p> <p>(Budget requirement of Rs. 2.10 Crore @ Rs. 70,000/- (upto) per awareness programme as per the provisions of scheme guidelines).</p>	<p>Committee accorded in-principle approval to organize 300 nos. Of National IP Outreach Mission (One Day Awareness Programmes).</p> <p>Further, approval will be taken on file with the allocation details including location and IPFC details.</p>
2.	National IP Yatra: 2-day Regional/ National Workshop titled "IP Yatra: Taking Innovation from Lab to Market" to promote IP commercialization and	Committee accorded in-principle approval for organising 30 Nos. of 2-day Regional/ National Workshop titled "IP Yatra: Taking Innovation

	handholding support with a budget requirement of Rs. 3 Crore @ Rs. 5,00,000/- (upto) per day as per the provisions of scheme guidelines.	from Lab to Market" Further, approval will be taken on file with the allocation details including location and IPFC details.
3.	Approval of 1 (3-day) MSME Tech Connect Initiative meet, wherein technology provider will showcase their technology to MSMEs. This will further enable Industry-Academia/ research linkage and transfer of patented technologies to MSMEs via TTFCs with a budget requirement of Rs 40 Lakh for the 3-days Tech connect.	Committee accorded in-principle approval for organising 1 no. of MSME Tech Connect Initiative meet, with a budget of Rs 40 Lakh for the 3-days Tech connect.  Further, approval will be taken on file with the allocation details including location and TTFC details.
4.	GI Mohatsav: Approval of a 10 nos. of 3-days exhibition under GI Mahotsav to showcase and promote GI products. – to be organised by IPFCs with a budget requirement of Rs. 4.0 cr. (max. 40 lakhs as per the PMS Scheme)	Committee accorded in-principle approval for organizing 10 nos of GI Mohatsav (3 days exhibition).  Further, approval will be taken on file with the allocation details including location and IPFC details.
5.	Approval for setting up 10 new IPFCs with a budget requirement of approx. Rs. 4 Crore @ Rs. 40,00,000/- as 1 <sup>st</sup> instalment to each IPFC.	Committee accorded in-principle approval (subject to fulfilment of documents as per the scheme guidelines) to set up 03 new IPFCs with the budget requirement of Rs. 1.2 crore @ Rs. 40,00,000 as 1 <sup>st</sup> Instalment to each IPFC as per <b>Annexure - F</b> Remaining IPFCs proposals to be placed in next PMAC after review/scrutiny by the division.
6.	Approval for setting up new 05 TTFCs and CSIR Labs as per draft MoU approved by Hon'ble Minister of MoMSME under IPR Component of Innovation Scheme as per eligibility prescribed in Scheme guidelines with a budget requirement of Rs. 40,00,000/- per TTFC as 1 <sup>st</sup> instalment.  CSIR Labs to be onboarded as TTFCs	In-principle approval for 3 TTFCs (subject to fulfilment of documents as per the scheme guidelines) as per Annexure with the budget requirement of Rs. 1.2 crore @ Rs. 40,00,000 as 1 <sup>st</sup> Instalment to each as per <b>Annexure - G</b> . The remaining applications to be placed in next PMAC after review/scrutiny by the division. The chairman further stated that the payment to TTFCs must be done on Milestone-basis and to be linked with deliverables.  CSIR labs to be onboarded as TTFCs as per the draft MoU as approved by Hon'ble Minister to be signed between MoMSME & CSIR. It was advised that CSIR to submit their application through the designated portal, following which the proposal can be taken up

	Request from IISC CoE to be onboarded as TTFC	separately on the file following due processes for consideration as per the provisions laid down in the guidelines.  IISc-CoE advised that IISC CoE may submit their application through the designated portal, following which the proposal can be placed before the next PMAC following due processes for consideration as per the provisions laid down in the guidelines.
7.	Approval for participating in the International Fairs for having GI focus pavilions.	Committee accorded approval for 05 international fairs as per <b>Annexure H</b> .

The meeting ended with a vote of thanks to the Chair.

## MSME Idea Hackathon 5.0: Smart and Sustainable MSMEs

### Introduction

Building on the legacy of its previous editions, MSME Idea Hackathon 5.0 emerges as a national initiative to ignite the spirit of innovation across the length and breadth of the country. While Hackathon 3.0 focused on empowering women and Hackathon 4.0 dedicated to harnessing the potential of youth aged 18 - 35, this year's edition opens the gateway of opportunity to all Indians aged between 18 to 60 years. From experienced professionals, startup founders, and technocrats to artisans, MSMEs, and retired domain experts, everyone is invited to contribute toward shaping a resilient and self-reliant India.

### Objective

MSME Idea Hackathon 5.0 aims to promote inclusive innovation by offering a platform for citizens to ideate, design, and develop solutions addressing critical national challenges. The objective is to transform high-potential ideas into scalable MSME-driven ventures that align with the pillars of Aatmanirbhar Bharat, Make in India, and Viksit Bharat @2047. This initiative will enable innovators to access mentorship, funding, incubation support, and a nationwide recognition platform.

### Target Group

The Hackathon is open to all individuals aged 18 to 60 years, regardless of their professional background or educational qualification. Participants may include MSMEs, students, entrepreneurs, technocrats, working professionals, academic researchers, defence veterans, and retired experts. The only prerequisite is a passion for problem-solving and a commitment to nation building.

### Indicative Themes for Hackathon 5.0

#### 1. Low-carbon footprint solutions/technologies

MSMEs are ideal for decentralized low-carbon footprint solutions as the energy demand is usually small and distributed, and renewable power can often be cheaper than an unreliable grid connection or diesel back-up power. Efficient integration into low-carbon pathways is usually hindered by the low technological base and typically rural, and semi-urban location of most MSME units. A major priority of innovations across the board is to protect, preserve and scale these low-carbon footprint industries.

#### 2. Stealth, Surveillance, and Cyber Defense Technologies

Aligned with India's national security priorities, this theme invites innovations in stealth UAVs, low-observable materials, electronic warfare, and cyber defense frameworks. Solutions could also include AR/VR-based combat training systems and AI-enabled surveillance tools. The aim is to strengthen defense capabilities and explore dual-use civilian applications.

#### 3. Innovation in Adoption of Industry 4.0 & 5.0 in MSME ecosystem

Enable MSMEs to adopt advanced technologies and leverage infrastructure created under industrial corridors and other initiatives with key focus areas -Automation and robotics, Cyber-physical systems, Human-centric innovation (Industry 5.0), Infrastructure mapping and access, to name a few. Categories like *Plug-and-play automation kits* for MSMEs to retrofit existing machinery, *Digital twin platforms* for predictive maintenance and process optimization, *Collaborative robotics (cobots)* for small-scale assembly lines, *GIS-based tools* to help MSMEs locate and utilize nearby industrial corridor facilities like logistics hubs, testing centres, and common facility centres.

#### 4. Innovation for business upliftment and sustainability in coastal and hilly areas

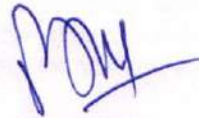

Promote inclusive growth by addressing the unique challenges and opportunities faced by MSMEs in geographically sensitive and underserved regions like coastal belts and hilly terrains. Participants are invited to design innovative systems that improve India's capacity to handle climate-related disruptions and emergencies. Potential areas include but not limited to AI-powered risk forecasting, decentralized supply chains, disaster-ready infrastructure, and

community-based early warning systems. The emphasis is on scalable and affordable solutions that protect lives, assets, and livelihoods. Key focus areas include- climate-resilient business models, local resource-based entrepreneurship, disaster-resilient infrastructure and logistics, and digital and physical connectivity solutions etc.

#### 5. Smart and Resilient Supply Chains

To strengthen MSME supply chains by making them more agile, transparent, and data driven with key focus areas like Logistics optimization, Inventory management, Supplier-buyer matchmaking and Risk mitigation and forecasting. Categories like *AI-based demand forecasting tools* for MSMEs to reduce overproduction and stockouts, *Collaborative supply chain platforms* that connect MSMEs with logistics providers and raw material suppliers, *Digital twin models* to simulate and optimize supply chain operations, *IoT-enabled smart warehousing solutions* for real-time inventory tracking, etc.
