Sub: Verification of documents prior to forwarding the proposals under MSE-CDP.

Sir,

It has come to the notice of this office that some of the branch Institutes are not even verifying the documents and are sending it directly to the Head Quarter for further action. In this regard, it is to mention that all the land documents are to be verified properly in respect of the Common Facility Centre (CFC) and Infrastructure Development (ID) and even the officers from the branch Institutes should visit the units physically (on sampling basis if the number of units are more) to know its genuineness. After ensuring the above, the proposals may be forwarded.
