

Minutes of the Pre-bid meeting of National Competitive Bidding (NCB) held on 21.04.2015 at 3.00 P.M. in the Committee Room of Office of DC (MSME) for supply of 17 lots of testing & calibration equipment required for IDEMI, Mumbai.

A pre-bid meeting was held today on 21.4.15 at 3.00 PM in the committee room, office of DC,MSME, Nirman Bhawan under the Chairmanship of Sh. R.K.Pandey, Joint Development Commissioner, O/o DCMSME, for the prospective bidders for the NCB to supply 17 lots of Testing and Calibration equipment for IDEMI under World Bank assisted Technology Centre Systems Programme. List of participants is enclosed at Annexure-1.

At the outset, Shri Ramesh Kumar Pandey, Joint Development Commissioner welcomed all the designated representatives, present in the pre-bid meeting and gave a detailed background of TCSP.

He informed to the participants that if there is any query and doubt, they can raise those queries and if possible, we shall try to reply those queries here itself to the extent possible. The reply to all the queries will be uploaded on our web-site.

Shri R.K. Rai, Director (Tool Room) advised the representatives not to use the pre bid meeting to promote their product.

The designated representatives of the participating organizations raised their queries during the pre-bid meeting. They were asked to give their queries in writing so that same can be responded and uploaded on the website of O/O DCMSME. All participants were also given copies of the Addendum/corrigendum no.1 issued on 20.4.15. They were also requested to visit website regularly to get timely updates.

The queries raised by participants and response to queries is as follows:

Sr. No.	Query	Response of the Client
1	Whether Custom duty exemption certificate will be provided for this bid. If yes under which custom duty exemption.	In this regard, please refer to Clause 14.8 & 14.9 of Section I Instruction to Bidder and also Form for Price schedule for supply as per schedule of requirement as included in Section IV Bidding forms.
2	In case of imported items, is MSME/IDEMI has any custom duty benefit? If it is applicable then under which clause.	
3	Is there any Custom duty benefit for this project while import of equipment (finished goods) from overseas countries?	
4	Whether it is mandate to quote for all line items or only which bidder can support or would like to quote.	Please refer ITB and BDS clause 14.6
5	If bidder submitted a common bid security (combined) for different Lot mention in Bid. In this case can Bidder submit one bid security in one of the lot and keep a copy mentioning brief in other lot Bids?	Please refer ITB clause 11.
6	In case of qualify for 2 out of 4 lots – Bid. In that case what action IDEMI, MSME will take. Whether they returning bid security for disqualified Bid or Bidder has to re submit the new bid security.	Please refer ITB clause 19.5 and 19.6.
7	Does the AMC charges to be quoted includes recalibration service i.e Do we have to get the unit recalibrated annually.	Please refer to Addendum/Corrigendum No. 1 Section IV Bidding Forms 4. Price and Completion Schedule – Related Services.
8	In Bidding Document, Page no.57, Check List Sr. No.1 it is mentioned that all pages of the Bid should be serial numbered & signed/initialled. Does it mean that Bidder has to sign all 170 pages of Bidding Document?	Please refer to ITB Clause 11 of the Bidding Document in this regard.
9	Lot no. 7 Digital temperature logger a. Serial No. 5: Kindly confirm the quantity for J/K thermocouple is it 32 of J + 32 Nos of K Or 16 of J + 16 Nos. of K. Or 32 Nos. of any type b. Sr. no. 6: Compensating cable Kindly confirm the quantity required? 1 No. of 3 meter long OR 32 Nos. of 3 meter long.	Refer Serial no. 1 and 2 of Addendum/Corrigendum No. 2.

10	<p>Lot No. 14: Environmental Chamber. Sr. No. 4 "Internal work space":</p> <p>Parameter: 1000 litre minimum Is it possible to offer as per international standard offer size. Eg. 900 litre or more to meet the tender specification.</p>	No amendment is needed in the specifications.
11	<p>Lot No. 14: Environmental Chamber. Sr. No. 4 "Internal work space":</p> <p>Minimum 1000 litres. We request for relaxation in the capacity of Environment chamber as our standard size of chamber is 990 litres.</p>	
12	<p>Lot No. 15: Thermal Shock Chamber Sr. No. 13: Door – Sliding Door We request an amendment that instead of sliding type door if it can be converted hinged type door due to the reason that "Hinged type door provide better sealing between chamber and door and maintains the environment conditions better".</p>	Refer Serial no. 3 of Addendum/Corrigendum No. 2.
13	<p>Lot No. 15: Thermal Shock Chamber Sr. No. 15: Port Hole on side walls Port hole on side walls are not recommended as the cable attached to the specimen during test from hot to cold zone or cold to hot will/may get damaged. Hence, recommendation is that the Port hole should be from Top along with the trolley.</p>	Refer Serial no. 4 of Addendum/Corrigendum No. 2.
14	<p>Lot No. 17: AC/DC current source Can we offer 2 separate units for AC & DC. One unit for AC & another unit for DC.</p>	Refer Serial no.5 of Addendum/Corrigendum No. 2.
