Tab “Help For Contractors”

Special Instructions to the Contractors/Bidders for the e-submission of the bids online through this eProcurement Portal

1. Bidder should do Online Enrolment in this Portal using the option Click Here to Enroll available in the Home Page. Then the Digital Signature enrollment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as eMudhraCA/GNFC/IDRBT/MtnlTrustline/SafeScrpt/TCS.
2. Bidder then logs into the portal giving user id / password chosen during enrollment.
3. The e-token that is registered should be used by the bidder and should not be misused by others.
4. DSC once mapped to an account cannot be remapped to any other account. It can only be inactivated.
5. The Bidders can update well in advance, the documents such as certificates, purchase order details etc., under My Documents option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.
6. After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document; otherwise, the bid will be rejected. Page 2 of 5
7. The BOQ template must not be modified /replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be rejected for that tender. Bidders are allowed to enter the Bidder Name and Values only.
8. If there are any clarifications, this may be obtained online through the e Procurement Portal, or through the contact details given in the tender document. Bidder should take into account of the corrigendum published before submitting the bids online.
9. Bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.
10. The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids
11. The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.

12. There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.
13. It is important to note that, the bidder has to click on the Freeze Bid Button, to ensure that he/she completes the Bid Submission Process. Bids Which are not Frozen are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.
14. The Tender Inviting Authority (TIA) will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.
15. The bidder may submit the bid documents online mode only, through this portal. Offline documents will not be handled through this system.
16. At the time of freezing the bid, the e Procurement system will give a successful bid updating message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
17. After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
18. Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
19. The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected.
20. The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.
21. All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized individual.
22. During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer(SSL) with 256-bit encryption technology. Data encryption of sensitive fields is also done.
23. The bidders are requested to submit the bids through online e Procurement system to the TIA well before the bid submission end date and time (as per Server System Clock).

Frequently Asked Questions on Digital Signature Certificate

1. What is a Digital Signature Certificate?

Digital Signature Certificates (DSC) are the digital equivalent (that is electronic format) of physical or paper certificates. Examples of physical certificates are drivers' licenses, passports or membership cards. Certificates serve as a proof of identity of an individual for a certain purpose; for example, a driver's license identifies someone who can legally drive in a particular country. Likewise, a digital certificate can be presented electronically to prove your identity, to access information or services on the Internet or to sign certain documents digitally.

2. Why is Digital Signature Certificate (DSC) required?

Like physical documents are signed manually, electronic documents, for example e-forms are required to be signed digitally using a Digital Signature Certificate. Transactions that are done using Internet if signed using a Digital Signature certificate becomes legally valid.

3. Who issues the Digital Signature Certificate?

A licensed Certifying Authority (CA) issues the digital signature. Certifying Authority (CA) means a person who has been granted a license to issue a digital signature certificate under Section 24 of the Indian IT-Act 2000.

4. What are the different types of Digital Signature Certificates valid for e Tendering program?

The different types of Digital Signature Certificates are: Class 2: Here, the identity of a person is verified against a trusted, pre-verified database. Class 3: This is the highest level where the person needs to present himself or herself in front of a Registration Authority (RA) and prove his/ her identity. 5. What type of Digital Signature Certificate (DSC) is to be obtained for e Filing on the e Tendering Portal? DSC of Class 2 and Class 3 category issued by a licensed Certifying Authority (CA) needs to be obtained for e filing on the eTendering Portal.

5. What is the cost of obtaining a Digital Signature Certificate?

The cost of obtaining a digital signature certificate may vary as there are many entities issuing DSCs and their charges may differ. The approximate cost could vary between 2000 to 3000 depending on the number of years for which it is issued.

6. How to obtain DSC for dept users?

The Department Officers shall get the DSCs or e-Tokens from any of the authorized vendors of CA, India. For convenience, the vendor addresses are given here: [To View click here](#) The Vendor list is not exhaustive. The Department users may ensure that they get two pairs of Keys (One for Signing and One for Encryption).

7. How to obtain DSC for contractors/bidders

Bidders can obtain the e Tokens from the following address [To View click here](#)

8. How much time do CAs take to issue a DSC?

The time taken by Certifying Authorities to issue a DSC may vary from three to seven days.

9. What is the validity period of a Digital Signature Certificate?

Pages 5 of 5 The Certifying Authorities are authorized to issue a Digital Signature Certificate

with a validity of one or two years. The maximum period for which the DSC is issued is only two years. On the expiry of the term, the Digital Signature Certificate can be revalidated by paying the fees again.

10. What is the legal status of a Digital Signature?

Digital Signatures are legally admissible in a Court of Law, as provided under the provisions of IT.

11. Is a company required to obtain a Digital Signature Certificate in its own name for e-Tendering

Digital Signature Certificate (DSC) is not required by Companies but by individuals. For example the Director or the Authorized signatory signing on behalf of the Company requires a DSC.

12. Can I do e-filing of documents if I do not possess a DSC?

No. It is mandatory to have a valid digital signature certificate for e-filing the forms on e-Tendering portal.

5. The bids are required to be uploaded strictly as per the guidelines indicated as given in online portal i.e. - <https://etenders.gov.in/eprocure/app>.

6. Instructions for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

7. More information useful for submitting online bids on the CPP Portal may be obtained at <https://etenders.gov.in/eprocure/app>

8. REGISTRATION

- a) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://etenders.gov.in/eprocure/app>) by clicking on the link "**Online bidder Enrolment**" on the CPP Portal which is free of charge.
- b) As part of the enrolment process, the bidders will be required to choose a unique user name and assign a password for their accounts.

- c) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- d) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify /nCode / eMudhra etc.), with their profile.
- e) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- f) Bidder then logs in to the site through the secured log-in by entering their user ID/password and the password of the DSC / e-Token.

9. SEARCHING FOR TENDER DOCUMENTS

- a) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID,
- b) Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as OrganizationName, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- c) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- d) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

10. PREPARATION OF BIDS

- a) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- b) Please go through the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- c) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR /DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- d) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.
- e) **Note:** My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

11. SUBMISSION OF BIDS

- a) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- b) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- c) Bidder has to select the payment option as "offline" to pay the EMD as applicable and enter details of the instrument.
- d) The EMD amount of Rs.14,40,762/- (Rupees Fourteen lakh forty thousand seven hundred sixty two only) refundable without interest to unsuccessful parties on Award of Work (LoI), is to be deposited electronically by NEFT/RTGS payment or through Demand Draft/ Pay order in the Account of ITDC-Ashok Events as per the details given below:

If the price bid has been given as a standard BoQformat with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- f) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- g) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- h) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

- The financial bid should include: -

(a) All rates shall be quoted on the tender form and shall include all material, labour, transportation, applicable fees, all taxes {except Goods & Services Tax(GST), duties, testing, commissioning, supervision, tools and plants, wastage, sundries, scaffoldings, permissions, NOCs etc. as required in mobilization up to de-mobilization etc., and nothing shall be payable on this account. However, the same shall not include the GST & GST Cess (if applicable) hereinafter termed as GST.}

(b) The rates quoted by the bidders shall be exclusive of Goods & Services Tax (GST)}, which shall be indicated separately in the bid format (where ever applicable).

- (c) The rates quoted will be firm and fixed for the duration of performance of the contract. At no point of time will any deviation from the quoted rate be entertained by ITDC-Ashok Events Division.
- (d) The Financial Bid shall not include any conditions attached to it and if any such condition is found, the financial proposal shall be rejected outrightly. For Financial Evaluation, the total overall price for the event period will be considered. This Fixed Event Price will cover all costs/expenses of the Agency for undertaking the work as detailed in the Scope of Work.
 - Bidder shall fill up entire price bid online. This final amount shall be considered for further evaluation in QCBS formula.
 - ITDC- Ashok Events Division reserves the right, at any time and in its absolute discretion, accept or reject Proposals, to pursue negotiations with any number of bidders, to withdraw from negotiations with any bidder at any time and to suspend, discontinue, modify and/or terminate the Tender process at any time.
 - ITDC Ashok Events Division will evaluate and compare only the bids determined to be substantially responsive in accordance with NIT terms.
 - If the price bid received is not realistic the bid is liable to be rejected.
 - In preparing the Financial Proposal, the prospective event management agencies are expected to take into account the requirements and conditions outlined in the tender document.

Price Bid and Overall Evaluation

- Maximum Marks of **70 marks** is allocated for financial bid evaluation.
- Final score for an applicant would be marks of technical bid and weighted score of financial bids. The scoring system of this 'Quality and Cost Based Selection' to be used for obtaining final scores is detailed below:
 - The lowest financial price (L1) will be given a financial score of 70. The second lowest financial price (L2) will be given a financial score = $\{(L1 \times 70)/L2\}$ so nth lowest financial price (Ln) will give a financial score (Fn) = $\{(L1 \times 70)/Ln\}$ (where Fn is the financial score, L1 is the lowest price and Ln is the price of the bidder).
 - Finally, both scores i.e. technical evaluation committee awarded marks (Tt) of the bidders & Financial score (Ft) of the financial proposal of the respective bidders will be summed to get the final score (Tscore). So Tscore = $(Tt + Ft)$ (where Tt is the technical score, Ft is the financial score of the bidder). The bidder who gets the highest final score i.e. (Tscore) will be ranked no. 1 (R1).
 - The contract will be awarded to bidder with highest total score (Tscore). In case of tie of highest total score, then technical evaluations score (Tt) would be given preference among the tie bidders. In case of same technical evaluation score of tie bidders, then agency having more no. of years of relevant experience in Event Management Field would be the deciding factor.

ITDC'S DECISION Any decision made by ITDC in relation to the selection of Successful Bidder will be final and binding and ITDC is not liable for any costs or expenses incurred by any bidder in preparing and lodging the proposal and presentation, if any, thereafter irrespective of whether such bidder is successful in proceeding to the next stage in the process or not

Brief of the Event: The Government of India intends to organize the referred event with the prime objective to create Patriotic mood, ensure wider participation of the general public and to promote the cuisine and rich cultural diversity of our country with special emphasis on the main theme “ Viksit Bharat @ 2047”, “Vikas Bhi Virasat Bhi”; “Atmanirbhar Bharat”, “Dekho Apna Desh”, Vocal for Local, One District One Product, Nari Shakti, Travel for LiFE, “Ek Bharat Shrestha Bharat” and Overall Advancement of Technology etc”. **“The overarching theme of the Bharat Parv-2026 would be 150th Anniversary of Vande Mataram, National Song”**

The proposed event is on behalf of Ministry of Tourism, Government of India, ITDC- Ashok Events requires on a turnkey basis the services of a well-established, experienced, reputed and professional Indian agency/agency of Indian Origin having set up in Delhi/NCR for execution on turnkey basis with previous experience of Event Execution and Supervision/ Management etc. of arrangements, activities and ancillary services for the Execution and Management etc at the areas in front of the Red Fort, Delhi including Gyan Path and adjoining two lawns etc.(Event dates 26.01.2026 to 31.01.2026) in conjunction with the Republic Day Celebrations – 2026.

The event venue essentially includes the Gyan Path area and two (2) lawns i.e. August 15 Park and Madhavdas Park in front of Red Fort, Delhi. The intending tenderers may kindly inspect the premises and obtain/ ascertain the dimensions/ layout etc. on their own.

Availability of the area in front of the Red Fort, Delhi (including Gyan Path and two (2) lawns) for commencement of execution of the project: is at least ten (10) days prior to the inauguration of the event. The area/s designated for the various activities, arrangements and services is to be segregated into three (3) main blocks.

Essentially the venue shall encompass 5 main activities – display of approx. 42-44 numbers Republic Day Tableaux, Cultural and musical areas, State Theme Pavilions, Hangars of Ministries; Food Court and Handicraft areas and interactive activities as listed in scope of work.

While the tableaux coming in from the Rajpath shall be parked in the left (while facing Chandni

Chowk) lawn and the other areas of the event venue can be used for the various other activities/ arrangements. It is also proposed to earmark the centre area in front of the ramparts of the Red Fort, Delhi as the centre stage of the cultural activities with a main stage area i.e the Gyan Path area.

Military Bands, Cultural Performances, cuisines, Handicraft and Handloom Artisans are being arranged by respective Government Departments.

The scope of work includes the segregation/ appropriation of the areas to ensure that the various aspects of the event are depicted and seen in both a user friendly manner while addressing the security, operational, technical etc. requirements.

All the material provided shall be of a quality befitting the status of the event – a National Event. If it is found that sub-standard material is used, payment for the same will not be released. No compromise on safety standards shall be accepted. Safe material shall be used with adequate and requisite provisions for covering exigencies etc. The material used should be sturdy and safe in all respects to avoid any untoward incident. All necessary steps to ensure a quality, safe and secure event are the responsibility of the bidder. It is the responsibility of the bidder that all factors have been properly investigated and considered while submitting the bid.

A proposed Arena Plan is to be included in the bid document by all bidders.

The event venue is to be essentially ready by 22nd January 2026 and needs to take into account security restrictions, rehearsal schedules and all other restrictions / requirements that may be imposed before, during and after the event dates. The event venues should be handed back in a state to the respective authority / agency to the complete satisfaction of the said authority / agency. The State Theme Pavilion area should be ready latest by 21st January, 2026.

The event venue through the activities envisaged should essentially reflect a décor and ambience that is commensurate to the profile of the event which is likely to be attended and witnessed by the general public in large numbers. Creating a suitable and pleasing ambience in and around the event venue is a part of the scope of work. The event venue must be visually appealing both from an exterior as well as interior perspective.

Agencies with previous experience of a minimum of 5 (Five) years as on 31.03.2025 in making and relating to arrangements of/ in Event Conceptualization and Execution; supervision/ Management of various event activities and rendering services in events only may upload their Technical and Financial Bids as per the Scope of Work which includes but is not limited to: -

The requirement/scope of work may increase/decrease as per actual requirements. In case of increase/decrease in items from the scope of work, the same shall be billed for the actual and the pro-rata payment will be released accordingly. In case the Event is extended; the payments will be released on pro-rata basis. For extra item/ work, if any, outside the scope of work, best market rates will be payable. Bill should be raised for the actual services/items provided.

- The event venue through the activities envisaged should essentially reflect a décor and ambience that is commensurate to the profile of the event – an important national event which is likely to be attended and witnessed by the general public.
- There should be regulated yet easy accessibility into and out of the event venues and adjacent areas; with separate entry and exit points into the various areas including for the general public, VIP's etc.

- Proper sign boards for entry and exit points along with signages for parking areas, facilities, etc.
- Summarized layout plan of the venue at various vantage points.
- All the event related preparations at the designated venue are to be ready and in place before the event dates (latest by 22nd January, 2026) and needs to take into account security restrictions. The State Theme Pavilions area should be ready latest by 21st January, 2026.
- All material used should be in consonance to fire safety norms as laid down by the Delhi Fire Service & adhere to fire safety standards.

FRAUD PREVENTION POLICY - ITDC

INTRODUCTION

ITDC has placed adequate systems and procedures commensurate to its nature of business such as Licensing Procedure, Purchase Procedure, Engineering & Works Manual, Delegation of Power etc. For ensuring the orderly and efficient conduct of business in an honest, ethical and transparent manner without any bias or malafide.

Further as per schedule V to SEBI (LODR) Regulations, 2015 relating to Corporate Governance provisions requirement, ITDC has placed a whistle blower policy. This policy envisages the Corporation to put in place a mechanism for employees to report to the Management about unethical behavior, actual or suspected fraud or violation of conduct rules.

Clause 34 (2) (f) of the SEBI (LODR) Regulations, 2015 requires top 500 companies (based on market Capitalization) to give in its Annual Report the Business Responsibility Report describing the initiative taken by the Company from an environmental, social and governance perspective. Principal 1 of the policy requires that businesses should not engage in practices that are abusive, corrupt, or anti-competition. Pursuant to this, it is considered appropriate to formulate and implement a FRAUD PREVENTION policy in the Company.

OBJECTIVES

The objective of the “Fraud Prevention Policy” is to provide a system for detection, reporting and prevention of fraud, whether committed or suspected. The policy will provide a framework and lay down a procedure for detection, reporting and prevention of fraud or suspected fraud. The policy will ensure that management is aware of its responsibilities for detection and prevention of fraud and for establishing procedures for preventing fraud and / or detecting fraud when it occurs.

SCOPE OF THE POLICY

The policy applies to all frauds committed or suspected linked to the business of the Company involving any employees as well as representatives of successful bidders, suppliers, contractors, consultants, service providers or any outside agency doing business with the company.

DEFINITION OF FRAUD

“Fraud is a willful act intentionally committed by an individual (s) – by deception, suppression, cheating or any other fraudulent or any other illegal means, thereby, causing unlawful gain (s) to self or any other individual (s) and wrongful loss to other (s), whether in cash or kind.

ACTIONS CONSTITUTING FRAUD

While fraudulent activity could have a very wide range of coverage, the following are some of the act(s) which constitute fraud. The list given below is only illustrative and not exhaustive:

-
- i. Forgery or alteration of any document or account belonging to the Company.
- ii. Forgery or alteration of Cheque, Bank Draft or any other Financial Instrument etc.

- iii. Misappropriation of funds, securities, supplies or others assets by fraudulent means etc.
- iv. Falsifying records such as pay-rolls, removing the documents from files and / or replacing it by a fraudulent note etc.
- v. Willful suppression of facts / deception in matters of appointment, placements, submission of reports, tender committee recommendations etc. as a result of which a wrongful gain (s) is made to one and wrongful loss (s) is caused to the others.
- vi. Utilizing Company funds for personal purposes.
- vii. Authorizing or receiving payments for goods not supplied or services not rendered. Destruction, disposition, removal of records or any other assets of the Company with an ulterior motive to manipulate and misrepresent the facts so as to create suspicion / suppression / cheating as a result of which objective assessment / decision would not be arrived at.

Any other act that falls under the gamut of fraudulent activity. Suspected improprieties concerning an employee's moral, ethical, or behavioral conduct, should be resolved by departmental management and Employee Relations of Human Resources rather than under Fraud Policy.

REPORTING OF FRAUD

Any employee, representatives of successful bidders, suppliers, contractors, consultants, service providers or any outside agency doing business with the company as soon as he / she comes to know of any fraud or suspected fraud or any other fraudulent activity must report such incident (s). Such reporting shall be made to the designated Nodal Officer (s) nominated by the Company for this purpose from time to time. If, however, there is shortage of time such report should be made to the immediate HOD whose duty shall be to ensure that input received is immediately communicated to the Nodal Officer. The reporting of the fraud normally should be in writing. In case the reporter is not willing to furnish a written statement of fraud but is in a position to give sequential and specific transaction of fraud / suspected fraud, then the officer receiving the information / Nodal Officer should record such details in writing as narrated by the reporter and also maintain the details about the identity of the official / employee / other person reporting such incident. Reports can be made in confidence and the person to whom the fraud or suspected fraud has been reported must maintain the confidentiality with respect to the reporter and such matter should under no circumstances be discussed with any unauthorized person.

All reports of fraud or suspected fraud shall be handled with utmost speed and shall be coordinated by Nodal Officer (s) to be nominated.

On receiving input about any suspected fraud / nodal officer (s) shall ensure that all relevant records documents and other evidence is being immediately taken into custody and being protected from being tampered with, destroyed or removed by suspected perpetrators of fraud or by any other official under his influence.

DUTY OF NODAL OFFICER

The "Nodal Officer" shall, refer the details of the Fraud / suspected fraud to the Vigilance Department of ITDC, immediately for further appropriate investigation and needful action.

During receipt of information of Fraud / Suspected Fraud, it would be the duty of Nodal Officer to verify the identity of the Complainant. Anonymous Complaint should not be acted upon. After verification of the identity of the Complainant, the Nodal Officer should keep the identity of the Complaints secret.

After completion of the investigation, due & appropriate action, which could include administrative action, disciplinary action, civil or criminal action or closure of the matter if it is proved that fraud is not committed etc. Depending upon the outcome of the investigation shall be undertaken.

Vigilance Department shall apprise "Nodal Officer" of the result of the investigation undertaken by them. There shall be constant coordination maintained between the two.

RESPONSIBILITY FOR FRAUD PREVENTION / CREATING AWARENESS / CIRCULATION OF POLICY

It is the responsibility of every employee, representatives of successful bidders, suppliers, contractors, consultants, service providers or any outside agency doing business with the company to ensure that there is no fraudulent action being indulged in, in their own area of activity / responsibility. As soon as they learn of any fraud or have suspicion regarding it, they should immediately report the matter as per the procedure laid down in the policy.

All successful bidders, suppliers, contractors, service providers, consultants and other agencies having business relations with the company are required to affirm to the Fraud Prevention Policy of the company. As such this policy document shall form a part of the tender / RFP document and shall have to be concurred to by all bidders.

All Departmental Heads shall be responsible for proper implementation of the Fraud prevention policy of the company. The Nodal Officers have powers to take corrective actions as per this policy. Name and contact number of nodal officers shall be available on Website and all prominent locations. Efforts will be made to keep the name of the informer secret.

The company recognizes that employee / stakeholder's awareness is essential for effective detection / prevention of fraud / suspected fraud. As such the company shall put in place adequate communication mechanisms for dissemination of information about the policy and its importance to the corruption free governance of the company.

AMENDMENTS / REVIEW OF POLICY

The Chairperson and Managing Director shall be the Competent Authority for the interpretation and revision of this policy. The policy will be reviewed and revised as and when needed.

Nodal Officer: HOD of Ashok Events Division of ITDC will be the Nodal Officer.

Preamble

Whereas, the Principal has floated a Tender _____ [Tender No.] (hereinafter referred to as Tender) and intends to award under laid down procedures, contract(s)/purchase order/work order/ for _____ [name of the contract/order] or items covered under the tender (hereinafter referred to as the Contract).

Whereas, the Principal values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relations with its Bidder(s) and /or Contractor(s).

Whereas, in order to achieve these goals, the Principal has appointed competent and credible Independent External Monitors (IEM's) for this Pact after approval of Central Vigilance Commission.

Whereas to meet the aforesaid purpose both parties have agreed to enter into this Integrity Pact (hereinafter referred to as the Agreement), the terms and conditions of which, shall be read as an integral part of the tender document and contract between the parties.

Now, Therefore, in consideration of the mutual covenants contained in this Pact, both parties hereby agree as follows: -

Section 1- Commitments of the Principal

1. The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles: -

a. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

b. The Principal will during the tender process treat all Bidder(s) with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/additional information through which the Bidder(s) could obtain an advantage in relation to the process or the contract execution.

c. The Principal will exclude from the process all known prejudiced persons.

2. If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC/PC Act, or if there is a substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2- Commitments of the Bidder(s)/Contractor(s)

The Bidder(s)/Contractor(s) commit them self to take all measures necessary to prevent corruption.

1. The bidder(s)/Contractors(s) commit them self to observe the following principles during participation in the tender process and during the contract execution: -

a. The Bidder(s) / contractor(s) will not, directly or through any other persons or firm, offer promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

b. The Bidder(s)/Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

c. The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act; further the Bidder(s) /Contractors will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

d. The Bidder(s)/Contractor(s) of foreign origin shall disclose the name and address of the Agents/representatives in India, if any. Similarly, the bidder(s)/contractor(s) of Indian Nationality shall furnish the name and address of the foreign principals, if any. And the details as mentioned in the 'Guidelines on Indian Agents of Foreign suppliers' shall be disclosed by the Bidder(s)/Contractor(s). Further, as mentioned in the Guidelines all the payments made to the Indian agent/representative have to be in Indian Rupee only.

In a tender, either the Indian Agent on behalf of the Principal/OEM or the Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender. If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/product.

e. The Bidder(s)/Contractor(s) will, when presenting their bid, disclose any and all payments made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

f. Bidder(s)/Contractors who have signed the integrity pact shall not approach the courts while representing the matter to IEM's and shall wait for their decision in the matter.

2. The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3: Disqualification from tender process and exclusion from future contracts

If the Bidder(s)/Contractor(s), before award or during execution has committed a transgression through a violation of Section 2, above or in any other form such as to put his reliability or credibility in question, the Principal is entitled to disqualify the Bidder(s)/Contractor(s) from the tender process or terminate the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression and action will be taken as per the procedure prescribed in the "Guidelines on banning of business dealings" of the Principal.

Section 4: Compensation for Damages

Without prejudice to any rights that may be available to the Principal under law or Contract or its established policies and laid down procedures, the Principal shall have the following rights in case of breach of this Agreement by the Bidder(s)/Contractor(s).

1. If the Principal has disqualified the Bidder(s) from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent to the Earnest Money Deposit / Bid Security Amount of the Bidder/Contractor.

2. If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages of the Contract value or the amount equivalent to Performance Bank Guarantee. If the Watchdog has reported a confirmed suspicion of any offence under the relevant IPC/PC Act to C&MD, ITDC and C&MD, ITDC has not taken action within a reasonable time to take action against such offence or has not reported the same to the Chief Vigilance Officer, So the monitor can also transmit this information directly to the Central Vigilance Commissioner.

Section 5: Previous Transgression

1. The Bidder to disclose any transgression with any other public /government organization that may impinge on the anti-corruption principle. The date of such transgression, for the purpose of disclosure by the bidders in this regard, would be the date on which cognizance of the said transgression was taken by the competent authority. The period for which such transgression(s)

is/are to be reported by the bidders shall be the last three years to be reckoned from the date of bid submission. The transgression(s), for which cognizance was taken even before the said period of three years, but are pending conclusion, shall also be reported by the bidders.

2. If the bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as per the as per the procedure mentioned in the "Guidelines on Banning of business dealings" of the Principal.

Section 6: Equal treatment of all Bidders/Contractors.

1. In case of sub-contracting, the principal contractor shall take the responsibility of the adoption of Integrity Pact by the sub-contractor(s).

2. The Principal will enter into Agreements with identical conditions as this one with all bidders, contractors.

3. The Principal will disqualify from the tender process all bidders who do not sign and submit this Integrity Pact along with their Technical Bid for this Tender or violate its provisions at any stage of the tender process.

Section 7: Violations of the Integrity Pact

If the Principal obtains knowledge of conduct of a Bidder, Contractor, or of an employee or a representative or an associate of a Bidder, Contractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the same to the Chief Vigilance Officer.

Section 8: Independent External Monitor/Monitors (IEM)

1. The Principal has appointed competent and credible Independent External Monitor for this Pact with the approval of Central Vigilance Commission.

The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

2. Integrity Pact, in respect of a particular contract, shall be operative from the date IP is signed by both the parties. The Monitors shall examine all the representations/grievances/complaints received by them from the bidders or their authorized representative related to any discrimination on account of lack of fair play in modes of procurement and bidding systems, tendering method, eligibility conditions, bid evaluation criteria, commercial terms & conditions, choice of technology/specifications etc.

3. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. The monitor would have access to all contract documents whenever required. It will be obligatory for him/her to treat the information and documents of the bidders/contractors as confidential.

4. The Bidder/Contractor accepts that the Monitor has the right to access without restriction to all project documentation of the principal including that provided by the contractor. The contractor will also grant the monitor, upon his/her request and demonstration of a valid interest, unrestricted and unconditional access to their project documentation. The same is applicable to sub-contractors (if any).

5. The Monitor is under contractual obligation to treat the information and documents of the Bidders(s)/ contractor(s)/ sub-contractors(s) with confidentiality. The monitor has also signed declarations on 'Non- Disclosure of Confidential Information' and of 'Absence of conflict of interest'. In case of any conflict of interest arising at a later date, the IEM shall inform C&MD (ITDC) and recuse himself/herself from that case.

6. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

7. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he/she will so inform the Management of the Principal and request the Management to discontinue or take corrective action, or to take other relevant action. The monitor can in this regard submit nonbinding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.

8. The Monitor will submit a written report to the C&MD, ITDC within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.

9. If the Monitor has reported a confirmed suspicion of any offence under the relevant IPC/PC Act to C&MD, ITDC and C&MD, ITDC has not taken action within a reasonable time to take action against such offence or has not reported the same to the Chief Vigilance Officer, So the monitor can also transmit this information directly to the Central Vigilance Commissioner.

10. In the event of any dispute between the management and the contractor relating to those contracts where Integrity Pact is applicable, in case, both the parties are agreeable, they may try to settle dispute through mediation before the panel of IEMs in a time bound manner. If required, the organizations may adopt any mediation rules for this purpose. However, not more than five meetings shall be held for a particular dispute resolution. The fees/expenses on dispute resolution shall be equally shared by both the parties.

11. In case, the dispute remains unresolved even after mediation by the panel of IEMs, the organization may take further action as per terms & conditions of the contract.

12. The word 'Monitor' would include both singular and plural.

Section 9 - Pact Duration

1. This pact begins when both parties have signed this Agreement. It expires for the Contractor 12 months after the last payment under the contract and for all other bidders 6 months after the contract has been awarded.

2. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings.

3. If any claim is made / lodged during this time, the same shall be binding and continue to be valid despite the lapse of this Agreement as specified above, unless it is discharged / determined by C&MD of ITDC.

Section 10 - Other provisions

1. This Agreement is subject to Indian Law, the place of performance and jurisdiction is the Registered Office of the Principal i.e. New Delhi.

2. Changes and supplements, as well as termination notices need to be made in writing. Side agreements have not been made.

3. This agreement must be signed by the duly authorized signatory only. If the Contractor is a partnership or a consortium or Joint Venture this agreement must be signed by all partners or consortium or Joint Venture Partners. In case of any change in partnership/consortium/Joint Venture the new partner or member will have to sign this document. It is to be ensured that all sub-contractors also sign the IP. In case of sub-contractors, the IP will be a tri-partite arrangement to be signed by the Organization, the contractor, and the sub-contractor.

4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

5. Issues like Warranty / Guarantee etc. shall be outside the purview of IEMs.

6. In the event of any contradiction between this Agreement and its annexure, the clause of the Agreement will prevail. For the sake of brevity, both the parties agree that this Agreement will have precedence over the Tender/Contract documents with regard to any of the provisions covered in this Agreement.

Date:

1. In consideration of you, ITDC - Ashok Events, The Ashok, 50-B Chanakyapuri, New Delhi – 110021 onbehalf of Ministry of Tourism, Government of India. (hereinafter referred to as the "Authority" which expression shall, unless repugnant to the context or meaning thereof, include its administrators, successors and assigns) having agreed to receive the proposal of **[Name of company]**, (hereinafter referred to as the "Bidder" which expression shall unless it be repugnant to the subject or context thereof include its successors and assigns), for appointment as Agency for [name of assignment] pursuant to the tender document dated [date] issued in respect of the Assignment and other related documents including without limitation the draft work order for services (hereinafter collectively referred to as "tender document"), we [Name of the Bank] having our registered office at [registered address] and one of its branches at [branch address] (hereinafter referred to as the "Bank"), at the request of the Bidder, do hereby in terms of relevant clause of the tender document, irrevocably, unconditionally and without reservation guarantee the due and faithful fulfilment and compliance of the terms and conditions of the tender document by the said Bidder and unconditionally and irrevocably undertake to pay forthwith to the Authority an amount of Rs. [in figures] ([in words]) (hereinafter referred to as the "Guarantee") as our primary obligation without any demur, reservation, recourse, contest or protest and without reference to the Bidder if the Bidder shall fail to fulfil or comply with all or any of the terms and conditions contained in the said tender document.
2. Any such written demand made by the Authority stating that the Bidder is in default of the due and faithful fulfilment and compliance with the terms and conditions contained in the tender document shall be final, conclusive and binding on the Bank. We, the Bank, further agree that the Authority shall be the sole judge to decide as to whether the Bidder is in default of due and faithful fulfilment and compliance with the terms and conditions contained in the tender document including, Document including without limitation, failure of the said Bidder to keep its Proposal valid during the validity period of the Proposal as set forth in the said tender document, and the decision of the Authority that the Bidder is in default as aforesaid shall be final and binding on us, notwithstanding any differences between the Authority and the Bidder or any dispute pending before any court, tribunal, arbitrator or any other authority.
3. We, the Bank, do hereby unconditionally undertake to pay the amounts due and payable under this Guarantee without any demur, reservation, recourse, contest or protest and without any reference to the Bidder or any other person and irrespective of whether the claim of the Authority is disputed by the Bidder or not, merely on the first demand from the Authority stating that the amount claimed is due to the Authority by reason of failure of the Bidder to fulfil and comply with the terms and conditions contained in the tender document including without limitation, failure of the said Bidder to keep its Proposal valid during the validity period of the Proposal as set forth in the said tender document for any reason whatsoever. Any such demand made on the Bank shall be conclusive as regards amount due and payable by the Bank under this Guarantee. However, our liability under this Guarantee shall be restricted to an amount not exceeding Rs. [in figures] ([in words]).
4. This Guarantee shall be irrevocable and remain in full force for a period of 90 (ninety) days from the Proposal Due Date or for such extended period as may be mutually agreed between the Authority and the Bidder, and agreed to by the Bank, and shall continue to be enforceable until all amounts under this Guarantee have been paid.

5. The Guarantee shall not be affected by any change in the constitution or winding up of the Bidder or the Bank or any absorption, merger or amalgamation of the Bidder or the Bank with any other person.

6. In order to give full effect to this Guarantee, the Authority shall be entitled to treat the Bank as the principal debtor. The Authority shall have the fullest liberty without affecting in any way the liability of the Bank under this Guarantee from time to time to vary any of the terms and conditions contained in the said tender document to extend time for submission of the Proposals or the Proposal validity period or the period for conveying of Letter of Acceptance to the Bidder or the period for fulfilment and compliance with all or any of the terms and conditions contained in the said tender document by the said Bidder or to postpone for any time and from time to time any of the powers exercisable by it against the said Bidder and either to enforce or forbear from enforcing any of the terms and conditions contained in the said tender document or the securities available to the Authority, and the Bank shall not be released from its liability under these presents by any exercise by the Authority of the liberty with reference to the matters aforesaid or by reason of time being given to the said Bidder or any other forbearance, act or omission on the part of the Authority or any indulgence by the Authority to the said Bidder or by any change in the constitution of the Authority or its absorption, merger or amalgamation with any other person or any other matter or thing whatsoever which under the law relating to sureties would but for this provision have the effect of releasing the Bank from its such liability.

7. Any notice by way of request, demand or otherwise hereunder shall be sufficiently given or made if addressed to the Bank and sent by courier or by registered mail to the Bank at the address set forth herein.

8. We undertake to make the payment on receipt of your notice of claim on us addressed to [Name of bank along with branch address] and delivered at our above branch which shall be deemed to have been duly authorized to receive the said notice of claim.

9. It shall not be necessary for the Authority to proceed against the said Bidder before proceeding against the Bank and the guarantee herein contained shall be enforceable against the Bank, notwithstanding any other security which the Authority may have obtained from the said Bidder or any other person and which shall, at the time when proceedings are taken against the Bank hereunder, be outstanding or unrealized.

10. We, the Bank, further undertake not to revoke this Guarantee during its currency except with the previous express consent of the Authority in writing.

11. The Bank declares that it has power to issue this Guarantee and discharge the obligations contemplated herein, the undersigned is duly authorized and has full power to execute this Guarantee for and on behalf of the Bank.

12. For the avoidance of doubt, the Bank's liability under this Guarantee shall be restricted to Rs. [in figures] ([in words]). And

M/s _____, a Company duly incorporated under the Indian Companies Act/Proprietor/Partnership, through Shri _____ its (designation), who is duly authorized to sign this Agreement, having its registered office at _____. (Hereinafter referred to as the Second Party or the Agency) which expression shall unless the context otherwise required shall mean and include its successors and assignees of the other part:

Whereas the Corporation has floated tender for engagement of event management Agency for an event at front of Red Fort, Delhi (Gyan Path and the two (2) adjoining Lawns) from 26th – 31st January, 2025 as per the scope of work and specifications given in the tender document. And whereas pursuant to the said tender, the Agency has uploaded it's tender.

And whereas based on the representations, assertion, assurance, declaration made by the Agency and being found eligible, the ITDC has agreed to award the work/contract to the Agency.

And whereas the parties wish to adduce the terms and conditions for the said scope of work in writing as under:

1. That the Agency shall manage the quantity and quality of manpower and equipment before services are rendered. The quality/quantity/services rendered should match with the given scope of work and specification all the time.
2. That the Corporation reserves the right to reject any services for not confirming to the approved scope of work /specification at its discretion and such a decision shall be final and binding on the Agency. The Agency shall have to adhere to all the NIT conditions and if the Agency fails to abide by the same, the ITDC reserves the right to hire the services from any other source at Agency's risk and cost and recover the cost from the Agency.
3. That in the event of transpiring that the services rendered material delivered is not in accordance with the approved scope of work/specifications, the services will be rejected and the Agency will be responsible for making alternate arrangements for the required services conforming to defined and agreed scope of work / specification and/ or reimbursing the Corporation for loss sustained on this account. The delivery shall be in tune with the laid down standards / international standards.
4. That timely rendering of services will be the essence of the contract. Now it is hereby agreed between the parties as follows: -

a) The services will be made strictly as per given and agreed schedule/scope of work. The Corporation also reserves the right to terminate the contract/this agreement at any time and without assigning any reason thereof about its intention to do so in writing to the Agency and the Agency shall not be entitled to any compensation by reasons of such earlier termination or event being cancelled.

b) The Agency shall be responsible for performing all or any of the services detailed in and arising out of this agreement/Scope of Work/NIT during the day and also at night without any additional remuneration when so directed by the corporation or by any officer authorized in this behalf

c). The Corporation reserves the right of placing the contract simultaneously or any time during this period with one or more articles or quantity does not by itself confer a right on the Agency on demand that the supply/services of all or of any item thereof, should necessarily be exclusively entrusted to him.

d). The Agency shall install all the setup/equipments at the event venue latest by 22nd January, 2026 as per the ordered scope of work/ as per terms and condition of NIT hereto annexed and subject to the conditions contained in the said schedule which shall be taken as part of this agreement/ contract, in such number and quantity as may from time to time be required for and on behalf of the corporation by any officer duly authorized in this behalf at the rates and prices mentioned in the said schedule.

e). The equipment/items shall be of the best quality and of the exact brand, quality and description demanded and shall be liable to be rejected by the corporation or any officer authorized in this behalf by the corporation to inspect or reject goods supplied by the Agency, if any items be not up to the standard required.

5. In case any of the services/items/equipments is so rejected, the approving officer shall not be required to assign or give any reason for such rejection and decision shall be final conclusive and binding upon the Agency. In case of any of the said services/articles being rejected or not being supplied/services rendered as aforesaid the corporation shall be at liberty to hire the services/procure the items as may be required in that behalf, at the cost and expense of the Agency and the Agency shall, upon demand, pay to the corporation all such costs charges and expenses and interests as shall or may be incurred or sustained in hiring the services/procuring of items. The Agency shall be liable to pay in addition, to the corporation the amount incurred extra at the option of the corporation as liquidated damages for each and every such default or for any such breach of the contract, as often as the same shall happen, the corporation being at liberty to retain the said sums from the amount of any bills that may or shall become due to the Agency or from EMD/Security amount/ performance bank guarantee deposited by him for the due performance of this agreement/ contract.

6. The agency shall indemnify the ITDC from any direct or indirect losses suffered by ITDC due to non-compliance of the provisions/requirements of the Goods & Services Tax Act. Further incontingency of any non- compliance which result into loss of input credit to ITDC, the agency shall pay ITDC an amount equal to lost input credit along with interest/penalties or any other monetary loss suffered because of such non-compliance under GST Act including any monetary loss or otherwise arising due to legal proceedings initiated by the tax authorizes as a result of non- compliance/default in paying tax by ITDC.

The Agency undertakes to fully indemnify and at all times keep Corporation fully indemnified and harmless against any actions, sanctions, claims, losses, demurrage, demands, expenses or costs whatsoever that Corporation may incur and / or suffer on account of any default on the part of the Agency in the discharge of the obligation under this agreement, including but not limited to the claims, if any, third party brings a lawsuit or proceeding against Corporation, then Agency shall hold Corporation harmless against any loss, damage, expense or cost, including reasonable advocates fees, arising from the claim and any other

circumstances. In case, Agency fails to deliver service as per terms and condition set out in agreement/contract or if Corporation at its sole discretion considers that the Agency is not in a position to fulfill its obligations, Corporation may without being obliged to do so and without prejudice to any of its other rights and remedies, repudiate this agreement and procure the scope of work done at the cost and risk of the Agency from alternative sources. The provisions of the aforementioned indemnity clause shall survive the termination of this agreement.

7. In event of any rectification of defective services/items or replacement of any defective item/services during event period, the same will be rectified /replaced immediately by the agency.
8. Timely and quality execution of an event from 26th to 31st January, 2026, including extension thereof, if any, as per NIT, is the essence of this agreement. In case of delay in services rendered, liquidated damages, as deemed fit, may be charged from the defaulting Agency. The Corporation further reserves the right to cancel the contract in the event of delayed services, and to issue the present contract to any other source at the sole risk and cost of the defaulting Agency. After the acceptance of services, in case of any complaint received from the guests/users at the time of event / use of the items, the Corporation reserves the right to deduct the complete cost of the services rendered/material supplied and if complaints continue to persist and if there is no remedial action to the satisfaction of the Corporation, then receipts/acceptance of services will be stopped forthwith. The Corporation reserves the right to reject defective services/ items. Services / defective supplies not meeting the scope of work/ items specifications, or deficient in any other respect, shall be rejected at the Agency/s sole risk and cost. Such supplies should be replaced free of charge immediately. In the event the services rendered/product supplied is found to be unacceptable due to service lapses of product deficiencies, the Corporation reserves the right at its sole discretion to cancel the present agreement/ contract and to withhold the payments. The Corporation reserves the right to cancel the contract in case of complaints, if any, received regarding quality, quantity, etc. subsequent to receipt of the items or services rendered against the scope of work and this agreement/ contract which have been established as due to defaults on the part of the Agency.
9. In case of breach of any of the conditions of this agreement and the terms and conditions of the NIT which shall form part of this agreement, the corporation shall be at liberty to terminate this contract forthwith without prejudice to the right of the corporation to claim damages on account of antecedent breaches thereof.
10. The Agency shall not be directly concerned or in any way deal with the officer or other persons employed by or under the authority of corporation in making the services/items supplied hereby contracted for, nor shall the Agency either directly give or promise to pay or give or permit to be given to any person in any department under the corporation, money, or gratuity fee or reward for any matter or thing in any way relating to the performance of the contract.
11. The Agency shall be personally responsible for the quality and standards of equipments/items/services and shall be liable for civil and criminal actions warranted for any deviation under any applicable law of land. The Agency shall be solely responsible for the compliance of provisions of the relevant Acts - Services and supplies must be accompanied by a proper dated challan / advice mentioning therein separately the quantity ordered and quantity supplied vis-à-vis the ordered scope of work for this event.
12. The Agency shall not assign the present agreement/contract or in any manner allow any other person or persons to interfere in without the special permission in writing of the said officer on behalf of the corporation.
13. The Agency shall be entirely responsible for compliance of all the applicable statutory obligations including all taxes, duties, fees, levies etc. incurred in conducting the scope of

work/ event to the corporation.

14. The bills for the articles supplied/services rendered may be submitted along with the actual delivery of the articles /services rendered. Any other payment made by the Corporation or the Agency's bills for the supplies made under these terms and conditions shall be recovered from the Agency/s from its bills subsequently submitted for payment and if such over payments or any portion thereof is thereafter remitted by the Agency, the corporation shall give the right to recover the overcharges from the security deposit as well. The bills shall be made on proper printed bill from serially numbered and not on letterheads.'
